Membership Renewal Form

Please renew your membership with the Canton Historical Society. The mission of the Society is to preserve the history of Canton by collecting and preserving objects relating to the history, topography, and family genealogy of the Town of Canton. Membership in the Canton Historical Society not only recognizes your interest in Canton's history but also acknowledges your desire to preserve the culture of our town for future generations.

Membership dues are critical to meet the operating expenses of the Society, which include heat, electricity, insurance, postage, printing cost, archival supplies, etc. It would be impossible for the Society to carry on without your help. How about asking a friend to join? - Dues remain the same-

Membership runs from July 1, 2020 through June 30, 2021.
